Interests

Sport
- I enjoy doing sport

Technology
- Web
- Building websites
- Watching videos on the subject

My goal

Mediamatics apprentice with a passion for the web, I am looking for a one-year internship starting in August 2027 to complete my CFC (Swiss federal VET diploma) and contribute to web projects.

Work experience

Discovery day – Mediamatics - CPNV, Sainte-Croix
16 November 2023
- Discovered the courses, activities and organisation of the CPNV
- First contact with teachers and students
- Understanding of the job and the professional environment

Work placement - Niseko, Crissier
17 April 2023 - 19 April 2023
- Discovered the mediamatics profession
- Introduction to Figma
- Designed a first logo, as an exercise, for the restaurant Le Local
- Observed project management and how a real company is organised

Education

CFC in mediamatics (Swiss federal VET diploma) - CPNV, Sainte-Croix
August 2024 - June 2028
Mediamatics training covering digital communication, visual design, project management and digital tools.

Compulsory schooling - École des Trois-Sapins, Echallens
August 2021 - June 2024
Lower secondary school

Projects

Website for the Mediamatics Open Days - CPNV, Sainte-Croix
2026
- Layout, mockup and design of the website
- Website hosting
- Web lead for the Open Days

Voko - Online fitness store
2026
- Fictional store: product catalogue, visual identity and shopping experience

Modern website redesign with AI
2025 - 2026
- Designed a website with a 2026 look with the help of AI
- Worked on user experience and visual identity

Website for a fictional company - MathiasBox Monthly
2025 - 2026
- Fictional e-commerce site built with WordPress and WooCommerce
- Wrote the content and product catalogue

Brand creation with brand guidelines
2025 - 2026
- Logo, colour palette and typefaces
- Brand guidelines applied across all media
